Targets:

- Membership of French medical regulatory authority and Francophone countries
- Increase partner membership overall
- Increase partner membership of those involved in medical education and training

- b. Identify key IAMRA resources that should be offered in other languages (website and conference content)

Targets:

- 100% translation of non-member web content
- Translation into French (simultaneous, on-screen or hardcopy, of opening speeches and keynote presentation at 2020 Conference)

- c. Facilitate opportunities for interaction among IAMRA members via website, webinar, events, and social media

Targets:

- Develop and implement a website platform for member interaction
- Develop and offer webinars, including *Principles of Regulation*

- d. Survey IAMRA members

Targets:

- Review format and content of membership survey
- Administer membership survey

- e. Provide members with relevant and useful guidelines and policy statements

Targets:

- Develop guidelines on good prescribing practices
- Develop guidelines on the role of the medical regulator in disaster preparedness/relief
- Develop a statement on physician wellness and physician and patient safety

3. The Membership and Programs Committee will also advise the Management Committee on any other matters it considers to be relevant to the pursuit of IAMRA's Vision, Goals, Objectives and Targets.
4. The Membership and Programs Committee will provide regular reports to the Management Committee and a report to the Members General Assembly.

\*IAMRA's current Goals, are as follows:

1. Creating a global community of medical regulators by expanding IAMRA's membership, partnerships and impact, and increasing value to members;
2. Supporting and encouraging members to develop mechanisms for assuring the continued competence of doctors;
3. Promoting and enabling the proactive sharing of fitness to practice/disciplinary information among IAMRA members;
4. Strengthening the evidence base for regulation by encouraging research and evaluation of regulatory processes, and the publication and sharing of findings.
